

Speed Record Club

Membership Application Form

The **Speed Record Club** was formed in 1991 by a collection of enthusiasts with a shared passion.....**SPEED!**

Whatever type of speed record breaking appeals to you, and at whatever level you are interested, the **Speed Record Club** is the only club that is not associated with any one project or organisation and is intended to provide a forum for all with a common interest.

The Club's quarterly newsletter "**Fast FACTS**" keeps members up to date on all known record breaking projects at home and around the world with regular articles also covering the rich history of the sport, book reviews, modelling and items for sale.

The Club holds informal meetings incorporating exhibitions, tours, team presentations, film and slide shows and sales of collectibles at places of interest and at museums with speed related displays. These are unique opportunities to meet other enthusiasts and well-known personalities from the world of speed record breaking.

With numerous Club members having active projects, the Club also provides a source of volunteers for their trials and speed record attempts.
